I. EDUCATION:

Kent State University – Kent, OH

PhD in Exercise Physiology

August 2021-May 2025

- **Dissertation topic:** The Relationship Between Relative Rest Index and Team Performance Across Eras of Competition in the National Basketball Association

Hofstra University – Hempstead, NY

MS in Sports Science

September 2019 – May 2021

- **Thesis topic:** Effect of Watermelon Supplementation on Skeletal Muscle Oxygenation and Exercise Performance in Recreationally Resistance-trained Men

Hofstra University – Hempstead, NY

BS in Exercise Science

September 2016 – December 2019

II. PROFESSIONAL EXPERIENCE:

Healthspan/RC13 Sports – Remote

Scientific Writer (Contract)

March 2025 – Present

California State University of San Marcos – San Marcos, CA

Full-Time Lecturer

January 2025 – Present

San Diego State University – San Diego, CA

Lecturer

August 2024 –Present

California State University of San Marcos – San Marcos, CA

Adjunct Lecturer

August 2024 - December 2024

Kent State University College of Education, Health, and Human Services – Kent, OH

Full-time Graduate Assistant

August 2021 - May 2024

Hofstra University Department of Health Professions – Hempstead, NY

Graduate Research Assistant

September 2019 – August 2021

New York Institute of Technology – Old Westbury, NY

Adjunct Professor

September 2020 – December 2020

Queen's College – Flushing, NY

Tutor

September 2019 – May 2021

ANTHONY G. PINZONE, Ph.D., CSCS*D
CURRICULUM VITAE

Hofstra Strength and Conditioning Department – Hempstead, NY
Intern

August 2019 –December 2019

24 Hour Fitness – Massapequa, NY
Personal Trainer

May 2019 – August 2019

Hofstra University Department of Health Professions – Hempstead, NY
Undergraduate Teaching and Research Assistant

January 2019 - December 2019

Professional Physical Therapy – Bayshore, NY
Physical Therapy Aide

May 2018 – September 2018

III. TEACHING:

California State University of San Marcos

KINE 426	Advanced Exercise Physiology for Special Populations
KINE 326	Introductory Exercise Physiology
KINE 506	Seminar in Kinesiology
KINE 303	Statistics and Research Methods
KINE 202	Introduction to Kinesiology

San Diego State University

ENS 303	Applied Kinesiology
ENS 438	Psychosocial Factors of Disease and Rehabilitation

Kent State University

EXSC 34000	Esports and Exercise Science
EXSC 45080	Exercise Physiology Laboratory
EXSC 15010	Intro to Exercise Science
EXSC 35068	Statistics for the Exercise Scientist Laboratory
EXSC 45065	Exercise Testing Laboratory
UC10097-152	First Year Experience

New York Institute of Technology

EXSC 150	Aerobic Conditioning
----------	----------------------

Hofstra University

HSCI 103	Human Anatomy and Physiology I (Teaching Assistant)
HSCI 106	Exercise Physiology (Teaching Assistant)
EXPH 93704	Assessment of Physical Fitness (Teaching Assistant)
PESP 038B	Weight Training (Teaching Assistant)

ANTHONY G. PINZONE, Ph.D., CSCS*D

Grants and Awards

1. *Kent State University Graduate Student College* 2023-Current
Validity and Reliability of a Free, Open-source Python Program for Analysis of Heart Rate Variability.
Principal Investigator: Pinzone, AG
Role: PI
Funding: \$2,000
2. *Kent State University College of Education, Health, and Human Services* 2022-23
The effect of a Dual Stressor Task and an Acute Bout of Resistance Exercise on Autonomic Modulation in Resistance-Trained Young Adults.
Principal Investigator: Kingsley, JD
Role: Co-I
Funding: \$500
3. 2x National Strength and Conditioning Association Challenge Scholarship Recipient. \$2,000 (2023 and 2024).

Scientific Conference Presentations

Symposia
